(9780763662622): Anderson, M.T.: Books Feed is a novel that needs to be experienced. Anderson projects a world where fast-paced internet consumerism has taken over society, where people have the internet basically wired into their bodies, directly feeding them a stream of advertisement based on their every random thought. It's cleverly done. Feed by M.T. Anderson M.T. Anderson has created the perfect device for an ingenious satire of corporate America and our present-day value system...Like those in a funhouse mirror, the reflections the novel shows us may be ugly and distorted, but they are undeniably ourselves. Feed by M. T. Anderson, Paperback | Barnes & Noble® Feed takes place in a dystopian version

of the United States of America in which the majority of the population uses a “feed”—a surgically-implanted device that enables the user to communicate electronically with others, look up any information, access limitless hours of free entertainment ... Feed by M. T. Anderson Plot Summary | LitCharts Since Anderson wrote this before smart phones were a “necessity” for contemporary teenage life, his work enters in the canon of eerily prescient works such as 1984. For exactly what Anderson predicted is seems remarkably close to our present times. Feed is an incredibly thought-provoking book, but a depressing one as well. There is no hero ... Feed by M. T.
