Seveneves Neal Stephenson Seveneves is a hard science fiction novel by Neal Stephenson published in 2015. The story tells of the desperate efforts to preserve Homo sapiens in the wake of apocalyptic events on Earth after the unexplained disintegration of the Moon and the remaking of human society as a space-based civilization after a severe genetic bottleneck. Seveneves - Wikipedia Neal Stephenson's Seveneves is impressive! Mankind has two years to prepare for the end of the world. Go! There have been other books with a similar premise, but the devil (about how humanity comes together to work out the enormous technological and existential problems of the challenge) is in the details. And the details are important to Stephenson.
