The politics of greed is the inherent weakness of pure democracy. It will always end up destroying the democratic system. Our Founding Fathers were very aware of this problem because they believed in the biblical view of Mankind — namely, that people are born with a sin nature and therefore cannot be trusted. The Politics of Greed | Politics | Lamb and Lion Ministries Greed in Politics is No Surprise. It comes as no surprise then, that greed is present in politics. Because greed, in varying degrees, is present in every person's heart, and must there be personally

combated, the most difficult question of government is thus how to restrain greed in politics. To this end, the founders of our peculiar American government proposed a Constitution that, if adhered to, would present the most effective vehicle, conceived by man, to restrain greed in politics. A Disquisition on Greed in Politics, Part 1: Diagnosing ... Politicians want them to believe that government spending just creates economic growth and opportunity out of thin air. That's why the biggest threat to our economy is not corporate greed—which is... Political Greed | The American Spectator The suspicions of political greed are too great in the politics of The Gambia. Preaching what they are not practising appears to be the habits of many leaders and political parties. This is at the core of the frustration and anger of many Gambians. Political greed has been embodied in the body politics of the country. Chains of political greed - The Point But politicians on the left encourage their fellow Americans to hate the rich and want to punish them. They equate capitalism with greed. And yet nothing is based more on greed than socialism. Just... Socialism, the True Gospel of Greed - The Daily Signal Greed is not what our country was founded on, it certainly isn't what it was built on, and it's not what's going to make the US great again. We didn't reach our August fundraising goal This is the 4th month in a row where we've fallen short. What Has Greed Cost the United States? 6 signs greed has destroyed American culture ... The United States of the 1960s was a nation filled with optimism. For many (though definitely not all) Americans it was a time of opportunity ... 6 signs greed has destroyed American culture | Salon.com Spiritually, greed can be seen as an

expression of impatience and a judgment against God as having failed or forgotten to adequately provide for us. When we misinterpret a perceived lack as evidence that God has abandoned or failed us, there is a temptation to align ourselves with something more tangible, material, and seemingly controllable. A Spiritual Interpretation of Greed | HuffPost Life Greed - not treason - drove President Donald Trump to seek Vladimir Putin's help in the 2016 election, ex-Trump fixer Michael Cohen says in his bombshell new book.
